

MILWAUKEE COUNTY PUBLIC LINKS ASSOCIATION
59th Annual Arnold Walker County Championship
Brown Deer Golf Course
August 24 & 25, 2019

Please make sure you post your scores on the WSGA site, and enter them as a “T” score each day.

Absolutely incredible weather and from all accounts, the best condition that Brown Deer has ever been in!!!! These are the comments I heard over and over again from so many competitors. I want to thank PGA Professional Andy Barrett, Course Superintendent Tim Wegner and both of their staff for the outstanding conditions and organization that makes this tournament a true pleasure to run. Thanks also go out to starter Glen Jaeger, scorer Jay Anosov, and marshall Bob Albrightson. These guys help make a big job manageable.

Congratulations go out to the 2019 Milwaukee County Champion Michael Harris. His spectacular 68 on Sunday led him to victory. Congratulations also go out to A Flight winner Dominic Carini, B Flight winner in a playoff Vince Vitrano, and C Flight winner Jeff Camosy. Trophies were awarded to each of the above winners. All of the below listed winners will have their winnings placed on account under your name on the computer and is accessible at any of the County Golf Courses. Andy Barrett assures us that this is the easiest system with no chance of any gift cards being lost!!

I want to take this time to thank everyone who played in any of the MCPLA events this year. Participation was up from last year. I look forward to making 2020 even better!!
